### Note from the Director

What an exciting summer it has been! God showed up during our Fun in the Son services and all of our regular service these past three months! For June, July, and August he had 51 men come to know Jesus for the very first time, we baptized 67 men and women in our prisons, and we either shipped or handed out 616 Bibles within the past three months! PRAISE GOD!!! Because He Lives, Dan Evans

The first week of October brings us our 4th annual trip into the Gainesville area prisons with our partners in the ministry - Inspiration Ministries!

We have 9 prisons on the schedule to enter (3 women and 6 men) and we have 12 amazing team members ready to go in the name of the Lord! Jesus changed the world with just 12 disciples . . . I'm excited to see what He does through us!

## Harvest of Life & Inspiration Ministries Together Again!!

Harvest of Life is once again partnering with Andy Foster & Inspiration Ministries from Butler, Indiana, for an incredible week of prison ministry in Gainesville! This marks our **4th year together**, and every time God shows up in new and powerful ways. These trips have become a highlight of our ministry year - bringing encouragement, unity, and the light of Christ behind the razor wire.

Harvest of Life continues to minister in **22 Florida prisons** on a monthly basis, and Inspiration Ministries faithfully serves men and women exiting incarceration and overcoming addiction. Together, our two ministries bring a unique blend of consistency, creativity, and compassion - committed to reminding every man and woman we meet that they are *no longer bound* when Christ sets them free.

Both of our ministries are built on the conviction that with God, there are no lost causes. We believe in the power of the gospel to bring real change, healing, and restoration. In every service, every prayer, and every testimony shared, we point to the hope that only Jesus can give.

This year, as we step once again into these places of opportunity, our hearts are expectant. We go with the message of freedom, redemption, and purpose - that no matter someone's past, God still writes their future. Our prayer is that this trip will be another unforgettable chapter in seeing lives transformed and chains broken through the love of Christ.

We will be in the prisons Mon.-Wed. (Sept.29-Oct.1) and here are some of the facilities we have lined up to enter: Marion CI, Putnam CI, RMC Main Unit, RMC West Unit, Columbia CI, Mayo CI Annex, Lowell Main Unit, Work Camp & Annex. All totaled, we are praying to be able to go to 6 men's prisons and 3 ladies' prisons.

### Harvest of Life Team Report:

The Harvest of Life South Team is doing well! We now have services at Avon Park Main Unit & Work Camp, Martin, Okeechobee, Polk Main & Work Camp, and Sumter (5th Saturdays)! Praise God! Please pray for more male volunteers for our South Team. Our faithful ladies need some men to come alongside them into these places as God is doing a mighty work! Praise be to God!

The Harvest of Life West Team is advancing the Gospel and encouraging the brothers in blue through their worship services at Okaloosa, Santa Rosa Annex, Holmes, and Walton CI. We are truly excited about what the Lord is doing at these four facilities! Please pray about the possibility of adding Blackwater River CF to the schedule!

The Gadsden Ladies facility is remaining steady as we continue teaching our weekly Bible Study classes there throughout the week. We want to welcome Leah Jones and Gabi Leite to the team as they have come in to assist from time to time! Dan Nase continues to conduct Spanish worship services at Jefferson, ACI West, and Gadsden and God is moving in a mighty way!

There is growing interest in our ministry as people inquire about what we are about and we are excited about God bringing more quality volunteers into our Harvest of Life family!

## Praise be to God!!! Read Shelby's story . . .

Because of **Inspiration** Ministries, what I once thought was **impossible** has now become my **reality**. Before I came into the **Inspiration** Recovery Program, I had everything backwards. I was trapped in **sin**, a spiraling **addiction**, and had fallen **victim** to the ways of the world. I couldn't see how putting my **faith** in and **surrendering** control to something **intangible** would solve any of my **problems** or take any of the **pain** away. So I continued to run the show, continued to justify my **sinful** actions, and continued to live in **misery**. In September 2023, I was sentenced to serve three months in **jail**, which doesn't seem like much time but it was more than enough for me to finally realize that my life seriously needed to change. Though He's never left me, **God** met me in that **jail** cell. He called my name and I heard Him loud and clear. Not only has **Jesus** restored relationships with my family and **surrounded** me with true, **genuine** people, but He's also given me the strength to **forgive**. Forgive myself, forgive those that have hurt me, and forgive the man that took my mother from me 25 years ago. Because of Jesus, I have real **JOY**. I have a smile on my face that never leaves because I have learned to always look at the world through the lens of Jesus. Because of Jesus, I have finally experienced **true freedom**.
